CAUTION.

HAVING got notified the Post
against receiving a certain cer-
ty, called "Kirkland Safety Society"
collected all persons against re-

as all that was issued as genuine was
designed; after the first officers who sig-
nified said bills retired, a new set of officers
were appointed; and the result of the
seizure was broken, spent and robbed,
several hundred thousands dollars the
acquisitions fringed upon the stolen bills,
and those bills are being still bartered
or had in trade for the purpose of will-

In the first places the bills are not col-

the second place, they are, upon the
acquisition fringed upon the stolen bills,

guilt of passing counterfeit money, because
the act of circulating is, and is not
that they are said to have in any way

because a wicked and corrupt determination

the *United States v. Seitz*, and if
members of the laws, are as they
make out one handed justice to machine
as to the *Mormons*, more intricate
will indicate more honesty. Time
